President's Foreign Intelligence Advisory Board Staff
The White House
Washington, D.C.

Dear Gary:

Gwen forwarded a request from Alan Greenspan yesterday concerning removal of a safe and some classified material he acquired while a member of PFIAB. We are in touch with him. It's possible that the ten other former members might need some help in this regard as well. We would be happy to assist, and would appreciate your querying them on this matter if you haven't already done so.
